To Whom It May Concern:

I have been using Dynamic Communications Inc. for all maintenance, upgrades, and additions to our telephone system at Dekker/Perich/Sabatini for several years now, and I am very happy with the level of service I receive from them. In my opinion, the expertise of their technicians is second-to-none, and the entire staff is friendly and professional. Everybody at DCI seems to go out of their way to accommodate my (often last-minute) requests and I feel confident that I am getting the best service available.

In short, I would recommend DCI to any organization looking for a consistent and reliable expertise for any of the services that they offer. Please feel free to call me if you have any further questions.

Sincerely,

Dekker/Perich/Sabatini Ltd.
